The Professional Development Consortium is home to the CPD Standards Office, the CPD Research Project and the Provider of Training Excellence. Their wealth of knowledge and research within the Learning and Development Industry and their team of industry professionals on the Expert Advisory Board are a few of the reasons that contribute to the detailed and rigorous assessment processes they have in place.

**#TeamADL** are proud to announce we have recently achieved accredited CPD Status with the CPD Standards Office.

To achieve the accreditation **#TeamADL** has undergone a rigorous assessment process that focuses on the development and delivery of our training including our educational authority, how we collect and utilise our delegate feedback and ensure our content is kept up to date.

Now **#TeamADL** have achieved this accreditation and status as an accredited CPD Provider, we are committed to working hard to maintain, and exceed, the excellent standard we have already set.
